(2) "Operator" has the same meaning as in section 3314.02 of the Revised Code.

(B) The auditor of state annually shall audit each community school operator and each community school sponsor described in division (C)(1) of section 3314.02 or section 3314.021 or 3314.027 of the Revised Code. In the annual or biennial audit,

inquiry shall be made into the methods, accuracy, and legality of the accounts, financial reports, records, files, and reports of the office, whether the laws, rules, ordinances, and orders pertaining to the office have been observed, and whether the requirements and rules of the auditor of state have been complied with. Except as otherwise provided in this division or where auditing standards or procedures dictate otherwise, each audit shall cover at least one fiscal year. If a public office is audited only once every two fiscal years, the audit shall cover both fiscal years.

(B) In addition to the annual or biennial audit provided for in division (A) of this section, the auditor of state may conduct an audit of a public office at any time when so requested by the public office or upon the auditor of state's own initiative if the auditor of state has reasonable cause to believe that an additional audit is in the public interest.

(C)(1) The auditor of state shall identify any public office in which the auditor of state will be unable to conduct an audit at least once every two fiscal years as required by division (A) of this section and shall provide immediate written notice to the clerk of the legislative authority or governing board of the public office so identified. (2) When the chief fiscal officer of a public office notifies the auditor of state that an audit is required at a time prior to the next regularly scheduled audit by the auditor of state, the auditor of state shall either cause an earlier audit to be made by the auditor of state or authorize the legislative authority or governing board of the public office to engage an independent certified public accountant to conduct the required audit. The scope of the audit shall be as authorized by the auditor of state.

(3) The auditor of state shall approve the scope of an audit under division (C)(1) or (2) of this section as set forth in the contract for the proposed audit before the contract is executed on behalf of the public office that is to be audited. The independent accountant conducting an audit under division (C)(1) or (2) of this section shall be paid by the public office.

(4) The contract for attest services with an independent accountant employed pursuant to this section or section 115.56 of the Revised Code may include binding arbitration provisions, provisions of Chapter 2711. of the Revised Code, or any other alternative dispute resolution procedures to be followed in the event a dispute remains between the state or public office and the independent accountant concerning the terms of or services under the contract, or a breach of the contract, after the administrative provisions of the contract have been exhausted.

(D) If a uniform accounting network is established under section 117.101 of the Revised Code, the auditor of state or a certified public accountant employed pursuant to this section or section 115.56 or 117.112 of the Revised

Code shall, to the extent practicable, utilize services offered by the network in order to conduct efficient and economical audits of public offices.
