Urging the Congress of the United States to propose a balanced budget amendment to the United States Constitution and applying to the Congress, pursuant to Article V of the United States Constitution, to call a convention for proposing a balanced budget amendment.

The General Assembly of the State of Ohio urges the Congress of the United States to propose a balanced budget amendment to the United States Constitution and hereby applies to the Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing an amendment to the United States Constitution requiring that in the absence of a national emergency the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate fiscal restraints; and

It is the intention of the General Assembly that matters shall not be

considered at the convention that do not pertain to an amendment requiring that, in the absence of a national emergency, the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate fiscal restraints; and be it further

RESOLVED, The Secretary of State is hereby directed to transmit copies of this application to the President and Secretary of the Senate and to the Speaker and Clerk of the House of Representatives of the Congress, and copies to the members of the Senate and House of Representatives from the State of Ohio; also to transmit copies of this application to the presiding officers of each of the legislative houses of the several states, requesting their cooperation; and be it further

This application shall be aggregated with those other applications for the purpose of attaining the two-thirds of states necessary to require the calling of a convention for proposing a balanced budget amendment, but shall not be aggregated with any applications on any other subject; and be it further

RESOLVED, If the convention called by the Congress is not limited to considering a balanced budget amendment, then any delegates, representatives, or participants from the State of Ohio asked to participate in the convention are authorized to debate and vote only on a proposed amendment or amendments to the United States Constitution requiring that in the absence of a national emergency the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate fiscal restraints; and be it further

RESOLVED, This application constitutes a continuing application in accordance with Article V of the United States Constitution until the legislatures of at least two-thirds of the several states have made applications on the same subject or the Congress has proposed an amendment to the United States Constitution equivalent to the amendment proposed in this resolution. (2) A ballot is marked contrary to law and does not contain a technical error if the voter marks more selections for a particular office, question, or issue than the number of selections that the voter is allowed by law to make for that office, question, or issue.

A ballot is not marked with more selections than are allowed if the voter both marks the ballot for a candidate and writes in the same candidate on the write-in line. If the voter makes more selections for a particular office, question, or issue than the number of selections that the voter is allowed by law to make, the voter's ballot shall be invalidated for that office, question, or issue, but shall not be invalidated for any other office, question, or issue for which the voter has not marked an excess number of selections. (3) A ballot is not marked contrary to law if the voter both marks the ballot for a candidate and writes in the name of the same candidate on the write-in line. If a voter who casts such a vote attempts to have the voter's ballot counted in the precinct and does not redo the vote by completing a replacement ballot, that is a technical error and the ballot shall be separated from the other ballots by the precinct election officials or the county election officials and that vote shall be counted by the board of elections.

(B) If two or more ballots are found folded together among the ballots

removed from a ballot box, they shall be deemed to be fraudulent. Such ballots shall not be counted. They shall be marked "Fraudulent" and shall be placed in an envelope indorsed "Not Counted" with the reasons therefor, and such envelope shall be delivered to the board of elections together with other uncounted ballots.

Having received a constitutional majority, the emergency clause stood as part of the bill.

The question being, "Shall the bill pass as an emergency measure?"

Representative Boose moved to amend as follows:

Delete lines 13 through 254 and insert:

"**Sec. 323.152.** In addition to the reduction in taxes required under section 319.302 of the Revised Code, taxes shall be reduced as provided in divisions (A) and (B) of this section.

(A)(1) Division (A) of this section applies to any of the following persons:

- (a) A person who is permanently and totally disabled;
- (b) A person who is sixty-five years of age or older;

(c) A person who is the surviving spouse of a deceased person who was permanently and totally disabled or sixty-five years of age or older and who applied and qualified for a reduction in taxes under this division in the year of death, provided the surviving spouse is at least fifty-nine but not sixty-five or

more years of age on the date the deceased spouse dies.

(2) Real property taxes on a homestead owned and occupied, or a homestead in a housing cooperative occupied, by a person to whom division (A) of this section applies shall be reduced for each year for which an application for the reduction has been approved. The reduction shall equal one of the following amounts, as applicable to the person:

(a) If the person received a reduction under division (A) of this section for tax year 2006, the greater of the reduction for that tax year or the amount computed under division (A)(3) of this section;

(b) If the person received for any homestead, a reduction under division (A) of this section for tax year 2013 or under section 4503.065 of the Revised Code for tax year 2014 or the person is the surviving spouse of such a person and the surviving spouse is at least fifty-nine years of age on the date the deceased spouse dies, the amount computed under division (A)(3) of this section. For purposes of divisions (A)(2)(b) and (c) of this section, a person receives a reduction under division (A) of this section or under section 4503.065 of the Revised Code for tax year 2013 or 2014, respectively, if the person files a late application for that respective tax year that is approved by the county auditor under section 323.153 or 4503.066 of the Revised Code.

(c) If the person is not described in division (A)(2)(a) or (b) of this section and the person's total income does not exceed thirty thousand dollars, as adjusted under division (A)(4) of this section, the amount computed under division (A)(3) of this section.

(3) The amount of the reduction under division (A)(3) of this section equals the product of the following:

(a) Twenty-five thousand dollars of the true value of the property in money;

(b) The assessment percentage established by the tax commissioner under division (B) of section 5715.01 of the Revised Code, not to exceed thirty-five per cent;

(c) The effective tax rate used to calculate the taxes charged against the property for the current year, where "effective tax rate" is defined as in section 323.08 of the Revised Code;

(d) The quantity equal to one minus the sum of the percentage reductions in taxes received by the property for the current tax year under section 319.302 of the Revised Code and division (B) of section 323.152 of the Revised Code.

(4) Each calendar year, the tax commissioner shall adjust the total income threshold described in division (A)(2)(c) of this section by completing the following calculations in September of each year:

(a) Determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States

department of commerce from the first day of January of the preceding calendar year to the last day of December of the preceding calendar year;

(b) Multiply that percentage increase by the total income threshold for the current tax year;

(c) Add the resulting product to the total income threshold for the current tax year;

(d) Round the resulting sum to the nearest multiple of one hundred dollars.

The commissioner shall certify the amount resulting from the adjustment to each county auditor not later than the first day of December each year. The certified amount applies to the following tax year for persons described in division (A)(2)(c) of this section. The commissioner shall not make the adjustment in any calendar year in which the amount resulting from the adjustment would be less than the total income threshold for the current tax year.

(B) To provide a partial exemption, real property taxes on any homestead, and manufactured home taxes on any manufactured or mobile home on which a manufactured home tax is assessed pursuant to division (D)(2) of section 4503.06 of the Revised Code, shall be reduced for each year for which an application for the reduction has been approved. The amount of the reduction shall equal two and one-half per cent of the amount of taxes to be levied by qualifying levies on the homestead or the manufactured or mobile home after applying section 319.301 of the Revised Code. For the purposes of this division, "qualifying levy" has the same meaning as in section 319.302 of the Revised Code.

(C) The reductions granted by this section do not apply to special assessments or respread of assessments levied against the homestead, and if there is a transfer of ownership subsequent to the filing of an application for a reduction in taxes, such reductions are not forfeited for such year by virtue of such transfer.

(D) The reductions in taxable value referred to in this section shall be applied solely as a factor for the purpose of computing the reduction of taxes under this section and shall not affect the total value of property in any subdivision or taxing district as listed and assessed for taxation on the tax lists and duplicates, or any direct or indirect limitations on indebtedness of a subdivision or taxing district. If after application of sections 5705.31 and 5705.32 of the Revised Code, including the allocation of all levies within the ten-mill limitation to debt charges to the extent therein provided, there would be insufficient funds for payment of debt charges not provided for by levies in excess of the ten-mill limitation, the reduction of taxes provided for in sections 323.151 to 323.159 of the Revised Code shall be proportionately adjusted to the extent necessary to provide such funds from levies within the ten-mill limitation.

(E) No reduction shall be made on the taxes due on the homestead of any

person convicted of violating division (D) or (E) of section 323.153 of the Revised Code for a period of three years following the conviction.

Sec. 4503.065. (A) This section applies to any of the following persons:

(1) An individual who is permanently and totally disabled;

(2) An individual who is sixty-five years of age or older;

(3) An individual who is the surviving spouse of a deceased person who was permanently and totally disabled or sixty-five years of age or older and who applied and qualified for a reduction in assessable value under this section in the year of death, provided the surviving spouse is at least fifty-nine but not sixty-five or more years of age on the date the deceased spouse dies.

(B) The manufactured home tax on a manufactured or mobile home that is paid pursuant to division (C) of section 4503.06 of the Revised Code and that is owned and occupied as a home by an individual whose domicile is in this state and to whom this section applies, shall be reduced for any tax year for which an application for such reduction has been approved, provided the individual did not acquire ownership from a person, other than the individual's spouse, related by consanguinity or affinity for the purpose of qualifying for the reduction. An owner includes a settlor of a revocable or irrevocable inter vivos trust holding the title to a manufactured or mobile home occupied by the settlor as of right under the trust.

(1) For manufactured and mobile homes for which the tax imposed by section 4503.06 of the Revised Code is computed under division (D)(2) of that section, the reduction shall equal one of the following amounts, as applicable to the person:

(a) If the person received a reduction under this section for tax year 2007, the greater of the reduction for that tax year or the amount computed under division (B)(2) of this section;

(b) If the person received for any homestead, a reduction under this section for tax year 2014 or under division (A) of section 323.152 of the Revised Code for tax year 2013 or the person is the surviving spouse of such a person and the surviving spouse is at least fifty-nine years of age on the date the deceased spouse dies, the amount computed under division (B)(2) of this section. For purposes of divisions (B)(1)(b) and (c) of this section, a person receives a reduction under this section or division (A) of section 323.152 of the Revised Code for tax year 2014 or 2013, respectively, if the person files a late application for that respective tax year that is approved by the county auditor under section 4503.066 or 323.153 of the Revised Code.

(c) If the person is not described in division (B)(1)(a) or (b) of this section and the person's total income does not exceed thirty thousand dollars, as adjusted under division (B)(5) of this section, the amount computed under division (B)(2) of this section.

(2) The amount of the reduction under division (B)(2) of this section equals the product of the following:

(a) Twenty-five thousand dollars of the true value of the property in money;

(b) The assessment percentage established by the tax commissioner under division (B) of section 5715.01 of the Revised Code, not to exceed thirty-five per cent;

(c) The effective tax rate used to calculate the taxes charged against the property for the current year, where "effective tax rate" is defined as in section 323.08 of the Revised Code;
