growth and opportunity; and 8

WHEREAS, Commercial and residential redevelopment and 9  
revitalization provide important opportunities for economic 10  
growth, job creation, and infrastructure and environmental 11  
improvements in Ohio communities; and 12

WHEREAS, Public-private partnerships play an important role 13  
in commercial development, affordable housing, and mixed-use 14  
projects; and 15

WHEREAS, Current legislative proposals in the Congress of the 16

WHEREAS, Partnerships are widely used in real estate projects 21  
to allow the developer to carry the risk of investing in real 22

revitalization and returning brownfields and other blighted or 25  
economically distressed areas to productive use; now therefore be 26  
it 27
