- Directs the clerk of court, when the clerk collects taxable fees for services performed by officers or other employees of a municipal corporation's police department or marshal's office or by a municipal court bailiff, to pay the fees to the general fund of the municipal corporation that employs the officer or employee or to the general fund of the entities that fund the bailiff's salary in the same pro-rated amount as the salary is funded.
- Provides that the act does not authorize or require any officer or employee of a municipal corporation's police department or marshal's office or any municipal court bailiff to perform any service that is not otherwise authorized by law.
- Provides that, notwithstanding R.C. 502.03 of Am. Sub. H.B. 66 of the 126th General Assembly, which created the Workers' Compensation Oversight Commission, the assets of funds that at the time R.C. 502.03

took effect were invested in investments that are prohibited under the Workers' Compensation Law and the assets of funds that, in the 12 months immediately preceding the effective date of R.C. 502.03, had been invested in investments prohibited under the Workers' Compensation Law must be divested in the most expedient time possible to obtain the maximum value during the liquidation unless the assets are being held as evidence in a criminal investigation or prosecution.

## **CONTENT AND OPERATION**

### **Municipal court fee schedule**

The act authorizes the legislative authority of a municipal corporation to establish by ordinance a schedule of fees to be taxed as costs in any civil, criminal, or traffic action or proceeding for the performance by officers or other employees of the municipal corporation's police department or marshal's office of any of the services specified in R.C. 311.17 and 509.15. These sections set forth the fees taxed for services performed by sheriffs and constables, such as serving subpoenas and attending criminal trials. (See **COMMENT 1**.) The act provides that no fee in the schedule may be higher than the fee specified in R.C. 311.17 for the performance of the same service by the sheriff. If a fee set by municipal ordinance conflicts with a fee for the same service established in a statute or rule of court, the fee established in the statute or rule applies. (R.C. 1901.26(A)(1)(b)(i).)

### **Taxation of costs and payment when collected**

The act provides that when an officer or employee of a municipal police department or marshal's office performs, in a civil, criminal, or traffic action or proceeding, a service specified in R.C. 311.17 or 509.15 for which a taxable fee has been established under any section of the Revised Code, the court must tax as costs in the action or proceeding the applicable legal fees and any other extraordinary expenses, including overtime, provided for the service. The clerk of the court must pay those legal fees and other expenses, when collected, into the general fund of the municipal corporation that employs the officer or employee. If the bailiff of a municipal court performs one of those services, the fee for the service is the same and is taxable to the same extent as if the service had been performed by an officer or employee of the police department or marshal's office of the municipal corporation in which the court is located; the fees are paid into the general fund of the entity or entities that fund the bailiff's salary in the same pro-rated amount as the salary is funded. (R.C. 1901.26(A)(1)(b)(ii) and (iii).)

### *Services not authorized or required*

The act states that the new provisions in the act do not authorize or require any officer or employee of a police department or marshal's office of a municipal corporation or any bailiff of a municipal court to perform any service that is not otherwise authorized by law (R.C. 1901.26(A)(1)(b)(iv)).

### *Workers' Compensation Oversight Commission*

The act provides that, notwithstanding R.C. 502.03 of Am. Sub. H.B. 66 of the 126th General Assembly (created the Workers' Compensation Oversight Commission) (see **COMMENT 2**), the assets of funds that at the time R.C. 502.03 took effect were invested in investments that are prohibited by R.C. 4121.12 (see **COMMENT 3**) and the assets of funds that, in the 12 months immediately preceding the effective date of R.C. 502.03, had been invested in investments prohibited by R.C. 4121.12 must be divested in the most expedient time possible to obtain the maximum value during the liquidation unless the assets are being held as evidence in a criminal investigation or prosecution. If the assets are being held as evidence in a criminal investigation or prosecution, the assets must be divested in the most expedient time possible to obtain the maximum value during the liquidation after the investigation or prosecution has concluded. (Section 3.)
