BILL SUMMARY

- Prohibits a parole officer employed by the Adult Parole Authority from being required to use the parole officer's privately owned motor vehicle for certain purposes while engaged in the course of the parole officer's employment or official responsibilities for the Authority.

CONTENT AND OPERATION

The bill prohibits a parole officer employed by the Adult Parole Authority (APA) from being required while engaged in the course of the parole officer's employment or official responsibilities for the APA to use the parole officer's privately owned motor vehicle to transport any offender, an offender's relatives or associates, or any urine sample (R.C. 5149.031). The bill provides no penalty for violations of this prohibition.
