

H.B. 194

127th General Assembly

(As Reported by H. State Gov't & Elections)

Reps. Zehringer, Seitz, Evans, Adams, Huffman, J. McGregor, Reinhard, Goodwin, Daniels, Flowers, Carmichael, Webster, Hite, Domenick

BILL SUMMARY

- Authorizes the joint township district hospital board that oversees a joint township hospital to hold an executive session to discuss trade secrets.

CONTENT AND OPERATION

Current law generally requires that all meetings¹ of any public body² be public meetings open to the public at all times (R.C. 121.22(C)). A resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of a public body, and a resolution, rule, or formal action of any kind adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations were for a purpose specifically authorized to be discussed in an executive session of the public body or were otherwise exempted by law (R.C. 121.22(H)). The members of a public body may hold an executive session to consider one of various specified matters only after a majority of a quorum of the public body determines by a roll call vote at a regular or special meeting to hold an executive session (R.C. 121.22(G)).

¹ "Meeting" means any prearranged discussion of any public business of a public body by a majority of its members (R.C. 121.22(B)(2)).

² "Public body" means (1) any board, commission, committee, council, or similar decision-making body of a state agency, institution, or authority, and any legislative authority or board, commission, committee, council, agency, authority, or similar decision-making body of any county, township, municipal corporation, school district, or local public institution, (2) any committee or subcommittee of such a body, or (3) a court of jurisdiction of certain sanitary districts when meeting for certain purposes (R.C. 121.22(B)(1)).

Current law allows the board of county hospital trustees that oversees a county hospital operated under the County Hospital Act, or the board of hospital commissioners that oversees a municipal hospital operated under the Municipal Hospital Act, to consider trade secrets³ as defined in the Uniform Trade Secrets Act at an executive session of a board meeting. The bill also allows a joint township district hospital board that oversees a joint township hospital operated under the Joint Township District Hospital Act to consider trade secrets at an executive session of a board meeting (R.C. 121.22(G)(7)).
