Additional fees for computerization

Under existing law, the probate judge may determine that, for the efficient operation of the Probate Court, additional funds are need to computerize the court, make available computerized legal research services, or both. For those purposes, the probate judge may require an additional fee of up to \$3 for the services marked with an asterisk in the above chart and other specified fees. The bill increases the maximum amount of the additional fees to \$5. Existing law also authorizes the probate judge to charge an additional fee of up to \$10 for the same services to computerize the office of the Probate Court clerk. The bill increases the maximum amount of the additional fees to \$15. (R.C. 2101.162(A)(1) and (B)(1).)

Distribution of Probate Court fees

Existing law requires the county treasurer to deposit into the county Indigent Guardianship Fund \$30 of the \$35 fee charged for the appointment of a fiduciary and \$20 of the \$60 fee charged for relieving an estate from administration or granting a summary release from administration. The bill changes these amounts to \$50 of the \$55 fee and \$30 of the \$60 fee, respectively. The bill also requires the county treasurer to deposit into the fund \$15 of the \$30

fee charged for docketing and indexing proceedings and \$10 of the \$20 fee charged for a marriage license. (R.C. 2101.16(C) and 2111.51.)

Under existing law, \$30 of the \$50 fee charged for a petition for adoption must be deposited into the Putative Father Registry Fund. The bill changes this provision to reflect the increase of the fee to \$60 but keeps the required deposit into the Putative Father Registry Fund at \$30 (R.C. 2101.16(G)(1)).

Advance deposit for costs

Existing law authorizes the Probate Court, by rule, to require an advance deposit for costs not exceeding \$125 when an person applies for an appointment as executor or administrator or when a will is presented for probate. The bill increases the maximum amount of the advance deposit to \$250 plus the cost of publication. (R.C. 2101.16(E).)

Fees charged to the county for Probate Court services

The bill increases the fees charged to a county for services rendered by the Probate Court in different types of proceedings as follows (R.C. 2101.17):

Service	Existing Law	Bill
For each hearing to determine if a person is a mentally ill individual subject to hospitalization when the person is committed to a state hospital or to relatives	12	40
When the person is discharged	7	25
For order of return of a mentally ill person to a state hospital or removal therefrom	2	10
For proceedings for committing a person to an institution for the mentally retarded	10	35
For habeas corpus proceedings when a person is confined under color of proceedings in a criminal case and is discharged	10	35
When acting as a juvenile judge, for each case filed against a delinquency (changed to <i>delinquent</i> by bill), dependent, unruly, or neglected child, or a juvenile traffic offender	5	20
For proceedings to take a child from parents or other persons having control thereof	5	20

Additional filing fee in the probate division

Existing law requires a Court of Common Pleas to collect an additional filing fee of \$26 in each new civil action or proceeding to help fund legal aid societies and the State Public Defender's Office except in specified types of cases. The exceptions include most proceedings in the Probate Division of the Court of Common Pleas, but specifically does not except name change, guardianship, adoption, and decedents' estate proceedings. The bill eliminates decedents' estate proceedings from the exceptions to the exceptions, so that the additional filing fee does not apply to decedents' estate proceedings. (R.C. 2303.201(C).)

Conforming change

The bill changes a cross-reference to conform to the renumbering of divisions in the list of fees charged to private parties in Probate Court (R.C. 2113.031(C)(3)(c)).
