SUNSET REVIEW LAW

Background and overview

The Sunset Review Law provides that if the General Assembly does not renew or transfer a state "agency" (see "**Definitions**" below) within an established time frame, the agency expires by operation of law and the Office of Budget and Management is prohibited from authorizing the expenditure of any money for the agency on or after the expiration date.

Since its inception, the Sunset Review Law has operated on a periodic cycle of approximately five years. The Sunset Review Committee¹ convenes at a time specified by law, establishes a schedule for agency review hearings, conducts hearings, and issues a report, which takes the form of a bill. The bill indicates the committee's intent to renew, abolish, transfer, or terminate agencies by continuing the statutes creating and empowering the agency, that amends or repeals those statutes, or that enacts new statutes, to improve agency usefulness, performance, or effectiveness. (R.C. 101.83(B) and (D).) The Sunset Review Law itself also expires unless renewed by the General Assembly.

The Committee, the Sunset Review Law, and agencies subject to review by the Committee had been scheduled to expire on December 31, 2010.² However, Sub. H.B. 495 of the 128th General Assembly postponed operation of the Sunset Review Law until July 1, 2011.

Sunset Review Law renewal

In accordance with the general pattern established for renewal of the Sunset Review Law and the Sunset Review Committee, the bill, in addition to abolishing, retaining, and changing the names of various agencies, continues the five-year cycle for evaluation of agencies. Without substantive amendment, the bill does all of the following:

¹ The Sunset Review Law created the Sunset Review Committee (a bipartisan committee, consisting of three Senate members appointed by the President of the Senate, three House members appointed by the Speaker of the House of Representatives, and three individuals appointed by the Governor with the advice and consent of the Senate) to carry out a periodic review of those state boards, commissions, councils, committees, and other entities to which the Sunset Review Law applies.

² R.C. 101.83(B) and (D); Section 6 of Am. Sub. H.B. 516, 125th General Assembly.

- Re-establishes the Sunset Review Committee with functions identical to those it exercises under current law, setting forth that it will operate in the 131st General Assembly, during calendar years 2015 and 2016 (R.C. 101.84);
- Repeals the Sunset Review Law on December 31, 2016, that is, following the re-established Committee's completion of its functions;
- Revises scheduled agency expiration dates by specifying that an agency in existence on January 1, 2011, expires on December 31, 2016, unless it is renewed in accordance with the Sunset Review Law procedures (R.C. 101.83(A)).

Accordingly (1) the members of the re-established Sunset Review Committee must be appointed within 15 days after the commencement of the first regular session of the 131st General Assembly, and the Committee must meet not later than 30 days after the first day of the first regular session of the 131st General Assembly and throughout that General Assembly to perform its statutorily specified organizational and operational functions, (2) the Committee is required to schedule for review each agency in existence on January 1, 2011, not later than 60 days after its first meeting in that year, (3) the Committee must send its schedules for review for calendar years 2015 and 2016 to affected agencies and to the Director of the Legislative Service Commission, who is required to publish each annual schedule of review in the Ohio Administrative Code and in the Register of Ohio, and (4) not later than six months prior to the date on which an agency in existence on January 1, 2011, is scheduled to expire, the Committee must hold hearings to evaluate agency effectiveness. (R.C. 101.84(A), 101.85(A) and (B), and 101.86(A).)

The bill also continues (without substantive amendment) other provisions of the Sunset Review Law dealing with (1) the Committee's organization (its officers, quorum, etc.), (2) the Committee's preparation of a report of its findings and recommendations for an agency's abolition, termination, transfer, or continuation (including its presentation to the General Assembly of implementing recommendations "in bill form"), and (3) agency responsibilities in connection with their reviews (R.C. 101.84, 101.85, and 101.86; R.C. 101.87, not in the bill).

Definitions

The application of the Sunset Review Law is determined by the following definitions, which the bill does not change (R.C. 101.82, not in the bill):

"Agency" generally means any board, commission, committee, or council, or any other similar state public body required to be established pursuant to state statutes for

the exercise of any function of state government and to which members are appointed or elected.

"Agency" does not include the following: (1) the General Assembly, or any commission, committee, or other body composed entirely of members of the General Assembly, (2) any court, (3) any public body created by or directly pursuant to the Ohio Constitution, (4) the board of trustees of any institution of higher education that is financially supported in whole or in part by the state, (5) any public body that has the authority to issue bonds or notes or that has issued bonds or notes that have not been fully repaid, (6) the Public Utilities Commission of Ohio, (7) the Consumers' Council Governing Board, (8) the Ohio Board of Regents, (9) any state board or commission that has the authority to issue any final adjudicatory order that may be appealed to the court of common pleas under the Administrative Procedure Act, (10) any board of elections, (11) the Board of Directors of the Ohio Insurance Guaranty Association and the Board of Governors of the Ohio Fair Plan Underwriting Association, (12) the Ohio Public Employees Deferred Compensation Board, (13) the Ohio Retirement Study Council, (14) the Board of Trustees of the Ohio Police and Fire Pension Fund, Public Employees Retirement Board, School Employees Retirement Board, State Highway Patrol Retirement Board, and State Teachers Retirement Board, (15) the Industrial Commission, (16) the Parole Board, (17) the Board of Tax Appeals, (18) the Controlling Board, (19) the Release Authority of the Department of Youth Services, (20) the Environmental Review Appeals Commission, (21) the Ohio Ethics Commission, (22) the Ohio Public Works Commission, (23) the Self-Insuring Employers Evaluation Board, (24) the State Board of Deposit, (25) the State Employment Relations Board, and (26) the Workers' Compensation Council.

"Abolish" means to repeal the statutes creating and empowering an agency, remove its personnel, and transfer its records to the Department of Administrative Services pursuant to the State Records Program Law.

"Terminate" means to amend or repeal the statutes creating and empowering an agency, remove its personnel, and reassign its functions and records to another agency or officer designated by the General Assembly.

"Transfer" means to amend the statutes creating and empowering an agency so that its functions, records, and personnel are conveyed to another agency or officer.

"Renew" means to continue an agency, and may include amendment of the statutes creating and empowering the agency, or recommendations for changes in agency operation or personnel.

To summarize, when an agency is abolished, the agency and its functions are eliminated and its personnel are removed; when an agency is terminated, its functions are reassigned, but the agency and its personnel are removed; and, when an agency is transferred, its functions and personnel are conveyed to another entity.
