BILL SUMMARY

Removal procedures

- Establishes procedures for removing "fiscal officers," i.e., county auditors, county treasurers, township fiscal officers, and fiscal officers of municipal corporations, from office, for purposely, knowingly, or recklessly failing to perform a duty expressly imposed by law, or for purposely, knowingly, or recklessly committing any act expressly prohibited by law, with respect to the office.
- Authorizes specific individuals, as the first step in the removal process, to submit to the Auditor of State a sworn affidavit alleging a violation, along with supporting evidence; a removal action cannot be filed directly with the court under the bill's removal procedures.
- Requires the Auditor of State to review the allegations and weigh the evidence against the fiscal officer to determine whether clear and convincing evidence exists to support the allegations, and if the Auditor of State so finds, the determination is to be submitted to the Attorney General for the same review.
- Requires the Attorney General to file a removal action against the fiscal officer if the Attorney General finds by clear and convincing evidence that an allegation is supported by the evidence.
- Affords the fiscal officer a hearing in the court of common pleas.
- Declares that if a municipal corporation's charter establishes a procedure for removal of officers that conflicts with the bill's removal procedures, the procedure in the charter prevails.

- Unless otherwise provided by law, prohibits any individual removed from office under the bill's procedures from holding another public office for four years, and from holding any public office until repayment or restitution required by the court is satisfied.

Education programs and continuing education

- Establishes initial education programs, taken before assuming office or during the first year of a term, and continuing education requirements, taken after assuming office, for township fiscal officers, city auditors, city treasurers, village fiscal officers, village clerk-treasurers, village clerks, and similar fiscal officers designated by the charter of a chartered municipal corporation.
- Requires the Auditor of State, instead of the County Auditors Association of Ohio, to issue a certificate of completion or notice of failure to complete to county auditors regarding their continuing education courses.

Fiscal accountability for public schools

- Creates fiscal accountability requirements for public schools that have been declared unauditible by the Auditor of State, including requiring them to submit an audit completion plan.
- Provides authority for the treasurer of a public school or a science, technology, engineering, and mathematics (STEM) school, and the fiscal officer of a community (charter) school or a public college-preparatory boarding (CPB) school (collectively, public schools), to be suspended when the public school is declared unauditible, until the Auditor of State or a public accountant has completed a financial audit of the public school.
- Requires the Department of Education to cease making payments to a public school declared unauditible, if the school fails to make progress to bring its accounts into auditible condition, until receiving notice that a financial audit was completed.
- Requires the sponsor of a community school to provide to the governing authority and fiscal officer of the school a written report regarding the review of the financial and enrollment records of the school not later than ten days after each monthly review.
- Prohibits a community school, on or after the bill's effective date, from opening for operation in any school year unless the governing authority of the school has posted a surety bond or cash deposit as a cash guarantee in the amount of \$50,000 with the Auditor of State.

- Requires that each public CPB school have a designated fiscal officer who may be required by rule of the Auditor of State to execute a bond before entering upon duties as a fiscal officer.

Other matters

- Except as otherwise provided by law, bars a public servant who is a fiscal officer, including a school fiscal officer, and who is convicted of or pleads guilty to dereliction of duty from holding any public office, employment, or position of trust in Ohio for four years, and from holding any public office until repayment or restitution by the court is satisfied.
- Requires that whenever a county auditor or county treasurer fails to perform the duties of office for 30 consecutive days, instead of the current 90 days, the office must be deemed vacant, except in the case of sickness or injury confirmed by the filing of a physician's certificate.

Removing county, township, and municipal fiscal officers from public office

Background and general description

Removal procedures in continuing law generally authorize the removal of persons holding a public office in Ohio or any political subdivision thereof for misconduct in office,¹ or, in the case of a municipal corporation that does not have a removal procedure in a charter, for certain violations of law, including misfeasance or malfeasance in office.² The statutory grounds in continuing law are generally for willful and flagrant exercises of authority or power not authorized by law, or refusal or willful neglect to perform any official duty imposed by law, gross neglect of duty, gross immorality, drunkenness, misfeasance, malfeasance, or nonfeasance. A complaint and hearing is required for forfeiture of office. Continuing law does not preclude "other methods of removal authorized by law."³

The bill establishes removal procedures that apply specifically to county auditors, county treasurers, township fiscal officers, village fiscal officers, village clerk-treasurers, village clerks, city auditors, city treasurers, and fiscal officers of chartered municipal corporations who, by virtue of the charter, have duties and functions similar to the aforementioned city or village officers, with regard to their official duties.⁴ The bill provides that if a municipal corporation's charter establishes a procedure for the removal of officers from office that conflicts with the removal procedures established by the bill, the charter provision prevails.⁵ This is consistent with the common law view of municipal removal authority being a matter of local self-government under Ohio Constitution, Article XVIII, Sec. 3.

¹ R.C. 3.07 to 3.10, not in the bill.

² R.C. 733.72 to 733.77, not in the bill.

³ R.C. 3.07.

⁴ R.C. 319.26 for removal of county auditors, R.C. 321.37 for removal of county treasurers, R.C. 507.13 for removal of township fiscal officers, and R.C. 733.78 for removal of village fiscal officers, village clerk-treasurers, village clerks, city auditors, and city treasurers.

⁵ R.C. 733.78(F).

The standard for removal under the bill is purposeful, knowing, or reckless failure to perform a duty expressly imposed by law with respect to the office, or purposeful, knowing, or reckless commission of any act expressly prohibited by law with respect to the office. The bill's removal procedures may be used as an alternative to other procedures prescribed by law, including R.C. 3.07 to 3.10.⁶

The bill eliminates an existing statute for removal of a county auditor from office for dereliction of duty; instead, the procedures discussed below apply to the removal of a county auditor from office.⁷ The statute being eliminated by the bill, which requires immediate suspension of the county auditor when a complaint is filed or a hearing is held, is similar to a statute for the removal of a county treasurer that was ruled unconstitutional by the Ohio Supreme Court because the statute was incompatible with the complaint and hearing requirements of Ohio Constitution, Art. II, Sec. 38.⁸ Article II, Section 38 provides that laws may be passed for the prompt removal of public officers, *upon a complaint and hearing*, for misconduct involving moral turpitude or for other cause provided by law. The Due Process requirements of a complaint and hearing must be afforded to a public officer before removal from office.

The bill also amends and consolidates an existing statute and repeals another for the removal of county treasurers from office, to afford a county treasurer a hearing before removal from office, as discussed below.⁹

Alleging a violation

If a county auditor, county treasurer, township fiscal officer, or fiscal officer of a municipal corporation purposely, knowingly, or recklessly fails to perform a duty expressly imposed by law with respect to the office, or purposely, knowingly, or recklessly commits any act expressly prohibited by law with respect to the office, the following persons may submit a sworn affidavit alleging such a violation, together with evidence supporting the allegations, to the Auditor of State:¹⁰

⁶ Under R.C. 3.08, proceedings for removal are commenced by the filing of a written complaint specifically setting forth the charge and signed by qualified electors of a township, county, or municipal corporation not less in number than 15% of the total vote cast for Governor at the most recent election for that office. The officer sought to be removed is served a with copy of the complaint at least ten days before the hearing; the hearing must occur within 30 days from the date the electors filed the complaint.

(2) In the case of a county treasurer, a county commissioner or the county auditor;

(3) In the case of a township fiscal officer, four residents¹¹ of the township; and

(4) In the case of a village or city fiscal officer, a member of the legislative authority of the municipal corporation.¹²

The sworn affidavit and supporting evidence must be submitted to the Auditor of State in the format that the bill requires the Auditor of State to establish by rule.¹³

Review of the affidavit and evidence by the Auditor of State

The Auditor of State must review the sworn affidavit and the evidence submitted. Unless, for good cause, additional time is required, within ten business days after receiving the sworn affidavit and evidence the Auditor of State must determine whether clear and convincing evidence¹⁴ supports the allegations against the fiscal officer. If the Auditor of State finds that no allegation is supported by clear and convincing evidence, the Auditor of State must submit those findings in writing to the fiscal officer and the person, or persons in the case of a township fiscal officer, who initiated the sworn affidavit.

If the Auditor of State finds that an allegation is supported by clear and convincing evidence, the Auditor of State must submit those findings in writing¹⁵ to the

¹⁴ Clear and convincing evidence is the standard required at common law and under the general statutory removal provisions, R.C. 3.07 to 3.10, to show a substantial departure from the faithful performance of official duties. This burden of proof is a degree of proof that is more than a mere preponderance of the evidence, but is not as high a burden as is required by the beyond a reasonable doubt standard in criminal cases. *In re Removal of Kuehnle*, 161 Ohio App.3d 399 (2005).

¹⁵ Apparently, this written finding need not be sent by certified mail as is the case for the Attorney General's findings.

Attorney General, the person who initiated the sworn affidavit, and the fiscal officer. The findings must include a copy of the affidavit and the evidence submitted with it.¹⁶

Review of the affidavit and evidence by the Attorney General

The Attorney General must review the Auditor of State's findings and the sworn affidavit and evidence. Unless, for good cause, additional time is required, within ten business days after receiving the affidavit and evidence the Attorney General must determine whether clear and convincing evidence supports the allegations. If the Attorney General finds that no allegation is supported by clear and convincing evidence, the Attorney General, by certified mail, must notify the Auditor of State, the person who initiated the affidavit, and the fiscal officer that no complaint for the removal of the fiscal officer from public office will be filed.

If the Attorney General finds that an allegation is supported by clear and convincing evidence, the Attorney General, by certified mail, must notify the Auditor of State, the person who initiated the affidavit, and the fiscal officer of that fact, and must commence an action against the fiscal officer by filing a complaint for the officer's removal from public office.¹⁷

Filing the removal action; hearing

The removal action must be commenced not later than 45 days after the Attorney General sends to the fiscal officer and the other specified persons a notice that clear and convincing evidence supports the allegation against the officer. If any money is due, the Attorney General must join the sureties on the fiscal officer's bond as parties.

The bill states that nothing in its removal procedures is intended to limit the authority of the Attorney General to enter into mediation, settlement, or resolution of any alleged violation before or following the commencement of a removal action under the bill.

The court of common pleas of the county in which the fiscal officer holds office has exclusive original jurisdiction of the action. The action must proceed *de novo* as in the trial of a civil action and is governed by the Rules of Civil Procedure. The court is not restricted to the evidence that was presented to the Auditor of State and the Attorney General before the action was filed.

Prior to or at the hearing, upon a showing of good cause, the court may issue an order restraining the fiscal officer from entering the office and from conducting the

affairs of the office pending the hearing on the complaint. If that order is issued, the court may continue the order until the conclusion of the hearing and any appeals.

The board of county commissioners, board of township trustees, or legislative authority of the municipal corporation, as fitting, is responsible for the payment of reasonable attorney's fees for counsel for the fiscal officer. If judgment is entered against the fiscal officer, the court must order the officer to reimburse the appropriate board or legislative authority for attorney's fees and costs up to a reasonable amount, as determined by the court. Expenses incurred by the board or legislative authority in a removal action must be paid out of the general fund of the county, township, or municipal corporation, as appropriate.

If the court finds with clear and convincing evidence that the fiscal officer purposely, knowingly, or recklessly failed to perform a duty expressly imposed by law with respect to the office, or purposely, knowingly, or recklessly committed any act expressly prohibited by law, the court must issue an order removing the fiscal officer from office and any order necessary for the preservation or restitution of public funds.¹⁸

The judgment of the court is final and conclusive unless reversed, vacated, or modified on appeal.¹⁹

Appeals

An appeal may be taken by any party, and must proceed as in the case of appeals in civil actions and in accordance with the Rules of Appellate Procedure. Upon the filing of a notice of appeal by any party to the proceedings, the court of appeals must hear the case as an expedited appeal under Rule 11.2 of the Rules of Appellate Procedure. The fiscal officer has the right of review or appeal to the Ohio Supreme Court.

Culpable mental states

The bill sets forth the following culpable mental states that, although the bill does not expressly state so, apparently apply to the bill's removal procedures:

(1) A person acts purposely when it is the person's specific intention to cause a certain result, or when the gist of the offense is a prohibition against conduct of a certain nature, regardless of what the person intends to accomplish thereby, it is the person's specific intention to engage in conduct of that nature.

¹⁹ R.C. 319.26(A) and (B), 321.37(A) and (B), 507.13(A) and (B), and 733.78(B) and (C).

(2) A person acts knowingly, regardless of the person's purpose, when the person is aware that the person's conduct will probably cause a certain result or will probably be of a certain nature. A person has knowledge of circumstances when the person is aware that such circumstances probably exist.

(3) A person acts recklessly when, with heedless indifference to the consequences, the person perversely disregards a known risk that the person's conduct is likely to cause a certain result or is likely to be of a certain nature. A person is reckless with respect to circumstances when, with heedless indifference to the consequences, the person perversely disregards a known risk that such circumstances are likely to exist.²⁰

Enhanced penalty for falsification

The bill states that a person who makes a false statement in a sworn affidavit, for purposes of a removal action, is guilty of falsification under the existing falsification law. Falsification is generally a misdemeanor of the first degree, but for purposes of the bill's removal proceedings, it is a felony of the third degree.²¹

Automatic stay of removal proceedings during pendency of criminal action

The bill provides that an action for removal from office is stayed during the pendency of any criminal action concerning a violation of a law or ordinance that is substantially equivalent to any criminal violation in Title 29 of the Revised Code related to conduct in office, if the person charged in the criminal action committed the violation while serving as the fiscal officer and the conduct constituting the violation was related to the duties of the office or to the person's actions as the fiscal officer. The stay may be lifted upon motion of the prosecuting attorney in the related criminal action.²²

Filling vacancies after final judgment for removal

If a final judgment for removal from public office is entered against a fiscal officer, the office must be deemed vacated,²³ and the vacancy must be filled as provided in continuing law.²⁴

Suspension of township fiscal officer

The bill authorizes the board of township trustees to appoint a deputy fiscal officer to discharge the township fiscal officer's duties if the court orders the suspension of the township fiscal officer under the bill's removal procedures.²⁵

Ban on holding public office

The bill generally provides that, except as otherwise provided by law, any individual removed from public office under the bill's removal procedures is not entitled to hold another public office for four years following the date of the final judgment, and is not entitled to hold any public office until any repayment or restitution required by the court is satisfied. Exceptions in existing law include, for example, the rule that conviction of a felony forever bars an individual from holding public office.²⁶ Similarly, a conviction for theft in office and embezzlement (two specific felonies) bars one from holding a public office.²⁷

Education programs and continuing education for fiscal officers

For county auditors

Currently, a county auditor must attend and successfully complete at least 24 hours of continuing education courses, 16 hours of which must be completed during the first year of the auditor's term of office, and eight hours of which must be completed by the end of the four-year term. At least two hours of ethics and substance-abuse training must be included in the total 24 hours of required courses. A course must be approved by the County Auditors Association of Ohio (CAAO), which also records and verifies completion of required course work for each county auditor and sends the number of hours completed to the Auditor of State and the Tax Commissioner, or issues a "notice of failure" if course work is not completed.

The bill does not change this continuing education requirement, except that the bill requires the Auditor of State, rather than the CAAO, to issue a certificate of completion to each county auditor who completes the continuing education courses, and to issue a notice of failure to any county auditor who fails to complete at least 16 hours of those courses during the first year of the term of office or to complete a total of at least 24 hours of those courses by the end of that term. Continuing law provides that

²⁷ R.C. 2921.41 (theft in office); Ohio Constitution, Article II, Sec. 5 (embezzlement).

this notice is for informational purposes only, and does not affect any individual's ability to hold the office of county auditor.²⁸

For county treasurers

Continuing law requires that newly elected county treasurers complete 13 hours of education programs *before* taking office, and, after completing one year in office, take not less than 24 hours of continuing education during each biennial cycle. The bill does not revise any of these requirements for county treasurers, but the bill does clarify the distinction between initial education programs, taken before or during the first year of office, and continuing education courses, taken after completing one year in office.²⁹

For fiscal officers of townships and municipal corporations

The bill requires that township fiscal officers and municipal fiscal officers (city auditors, city treasurers, village fiscal officers, village clerk-treasurers, village clerks, and, in the case of a municipal corporation with a charter that designates an officer with similar duties and functions, the officer so designated) successfully complete education programs and continuing education courses.³⁰ To enhance the background and working knowledge of these township or municipal fiscal officers in government accounting, budgeting and financing, financial report preparation, and the Auditor of State's rules, the bill requires the Auditor of State to conduct education programs and continuing education courses for individuals elected or appointed for the first time to the office of township fiscal officer, or to one of the municipal fiscal offices, and to conduct continuing education courses for individuals who continue to hold that office in a subsequent term. The bill permits the Ohio Township Association (OTA) and the Ohio Municipal League (OML), respectively, to conduct the education programs and continuing education courses if approved by the Auditor of State. The Auditor of State, in conjunction with the OTA or OML, as appropriate, must determine the manner and content of the initial education programs and continuing education courses.

Initial education programs for newly elected or appointed fiscal officers

Newly elected or appointed township or municipal fiscal officers must take and successfully complete at least six hours of initial education programs before commencing, or during the first year of, office. A township or municipal fiscal officer who participates in a permissive training or educational program for new township fiscal officers, city auditors, or village clerks held by the Auditor of State under

continuing law³¹ may apply those hours taken *before* commencing office to the six hours of required initial education programs.³²

Continuing education courses

In addition to the six hours of initial education: (1) a newly elected township or municipal fiscal officer must complete at least 18 continuing education hours during the officer's first term of office, and (2) a township or municipal fiscal officer who is elected to a subsequent term of office must take and successfully complete 12 hours of continuing education courses in each subsequent term of office. Under (1) and (2), at least two hours of ethics instruction must be included in the continuing education hours required by the bill.

A township or municipal fiscal officer who participates in a three-hour training program or seminar established by the Attorney General³³ regarding a public official's duty to provide access to public records under the Public Records Act may apply the three hours of training to the bill's required continuing education hours.³⁴

A certified public accountant who serves as a township or municipal fiscal officer may apply, to the required continuing education hours, any hours of continuing education taken to fulfill the Accountancy Board's existing continuing education requirements,³⁵ if completed *after* being elected or appointed as a township or municipal fiscal officer. Similarly, a township or municipal fiscal officer may apply, to the required hours of continuing education, any hours of continuing education provided by the Treasurer of State under an existing continuing education program³⁶ if the hours are completed *after* being elected or appointed as a township or municipal fiscal officer.

A township or municipal fiscal officer who teaches an approved continuing education course is entitled to credit for the course in the same manner as if the township or municipal fiscal officer had attended the course.³⁷

Auditor of State's rules; certificates of completion or failure to complete notices

The Auditor of State must adopt rules specifying the initial education programs and continuing education courses that are required for a township or municipal fiscal officer who has been appointed to fill a vacancy. The requirements must be proportionally equivalent, based on the time remaining in the vacated office, to the requirements for a newly elected township or municipal fiscal officer.

The Auditor of State also must adopt rules verifying the completion of initial education programs and continuing education courses for the township fiscal officer and for each category of municipal fiscal officers. The Auditor of State must issue a certificate of completion to each township or municipal fiscal officer who completes the initial education programs and continuing education courses. And the Auditor of State must issue a "failure to complete" notice to any township or municipal fiscal officer who is required to complete initial education programs and continuing education courses, but who fails to do so. The notice is for informational purposes only and does not affect any individual's ability to hold the office of township or municipal fiscal officer.³⁸

Covering the costs of fiscal officer's education

For a township fiscal officer, each board of township trustees, and for a municipal fiscal officer, the legislative authority of the municipal corporation, must approve a reasonable amount requested by the fiscal officer to cover the costs the officer is required to incur to meet the bill's education requirements, including registration fees, lodging and meal expenses, and travel expenses.³⁹

Fiscal accountability for public schools

Declaration that public school is unauditabile

Continuing law authorizes the Auditor of State or a public accountant auditing a public office to declare the public office unauditabile if its accounts, records, files, or reports have been improperly maintained.⁴⁰ The bill requires that if a school district, a community (charter) school, a science, technology, engineering, and mathematics (STEM) school, or a college-preparatory boarding school (CPB school) has been declared unauditabile under that continuing law, the Auditor of State must post notice of the unauditability on the Auditor's website and provide written notice of the unauditability to the following:

³⁸ R.C. 507.12(C) and (E) and 733.81(D) and (F).

³⁹ R.C. 507.12(F) and 733.81(G).

⁴⁰ R.C. 117.41, not in the bill.

(1) For a school district, to the district and Department of Education.

(2) For a community school, to the community school, the school's sponsor, and the Department of Education.

(3) For a STEM school, to the school and the Department of Education.

(4) For a CPB school, to the school and the Department of Education.⁴¹

Uncodified law already requires that the Auditor of State provide written notification of a declaration that a community school is unauditabile. The bill makes that law permanent by placing it in the Revised Code and amends the declaration procedure, as described below.⁴²

For purposes of this analysis, school districts, community (charter) schools, STEM schools, and public CPB schools will be referred to as "public schools" and the district board of education of a school district, the sponsor of a community school, the governing body of a STEM school, and the board of trustees of a CPB school will be referred to as the "governing body."

Suspension of public school treasurer or fiscal officer

If a school district's current treasurer, a community school's current fiscal officer, a STEM school's current treasurer, or a CPB school's current fiscal officer held that position during the period for which the respective school is unauditabile, upon receipt of the notice of unauditability, the governing body of the public school may suspend the treasurer or fiscal officer until the Auditor of State or a public accountant has completed an audit of the public school, except that if a community school has an operator and the operator employs the fiscal officer, the operator may suspend the fiscal officer for that period. For a CPB school, if the fiscal officer is employed by the school's operator, the operator *must* suspend the fiscal officer.⁴³

Suspension of a treasurer or fiscal officer may be with or without pay, as determined by the governing body imposing the suspension, based on the circumstances that prompted the Auditor of State's declaration of unauditability. The governing body imposing the suspension must appoint a person to assume the duties of the treasurer or fiscal officer during the period of the suspension. If the appointee is not licensed as a school district treasurer by the State Board of Education under existing

law,⁴⁴ the appointee must be approved by the Superintendent of Public Instruction before assuming the duties of the treasurer or fiscal officer. The State Board of Education may take action under its continuing authority⁴⁵ to suspend, revoke, or limit the license of a treasurer or fiscal officer who has been suspended in this manner.

No community (charter) school contracts

Notwithstanding any provision of law to the contrary, the sponsor of a community school declared unauditible is prohibited under continuing law from entering into contracts with any additional community schools. The bill applies this prohibition to a period beginning 90 days after the date of the declaration and ending on the date the Auditor of State or a public accountant has completed the financial audit, rather than from the date of declaration until the financial audit is completed.⁴⁶

Written response

Not later than 45 days after receiving a notice that a public school has been declared unauditible, the governing body of the public school must provide a written response to the Auditor of State that includes all of the following:

- ◆ An overview of the process the governing body will use to review and understand the circumstances that led to the public school becoming unauditible.

- ◆ A plan for providing to the Auditor of State documentation necessary to complete an audit of the public school, and for ensuring that all financial documents are available in the future.

- ◆ The actions the governing body will take to ensure that the plan is implemented.⁴⁷

Withholding funding

If the public school fails to make reasonable efforts and continuing progress to bring its accounts, records, files, or reports into an auditible condition within 90 days after being declared unauditible, the Auditor of State, in addition to requesting that

legal action be filed by the Attorney General under continuing law,⁴⁸ must notify the school and the Department of Education of that failure.

If the Auditor of State or a public accountant subsequently is able to complete a financial audit of the public school, the Auditor of State must notify the school and the Department of Education that the audit has been completed.

Notwithstanding any provision of law to the contrary, upon notification by the Auditor of State that a public school has failed to make reasonable efforts and continuing progress to bring its accounts, records, files, or reports into an auditable condition, the Department must immediately cease all payments to the public school until receiving subsequent notification from the Auditor of State that a public accountant or the Auditor of State was able to complete a financial audit of the public school, at which time the Department must release all funds withheld from the public school.⁴⁹

Community (charter) schools

Written reports of record reviews

Continuing law requires that a representative of the sponsor of a community (charter) school meet with the governing body or fiscal officer of the school and review the financial and enrollment records of the school at least once a month. The bill requires the sponsor to provide the governing body and fiscal officer with a written report regarding the review not later than ten days after each review.⁵⁰

Posting of surety bond

The bill prohibits a community school, on or after the bill's effective date, from opening for operation in any school year unless the governing authority of the school has posted a surety bond in the amount of \$50,000 with the Auditor of State. In lieu of a surety bond, a community school governing authority may deposit with the Auditor of State \$50,000 cash as a guarantee of payment. The bond or cash guarantee must be used, in the event the school closes, to pay the Auditor of State any moneys owed by the school for the costs of any audits conducted by the Auditor of State or a public accountant.

⁵⁰ R.C. 3314.023.

Immediately upon the filing of a surety bond or the deposit of cash, the Auditor of State must deliver the bond or cash to the Treasurer of State, who must hold it in trust. The Treasurer of State is responsible for the safekeeping of all surety bonds filed or cash deposited. The Auditor of State must notify the Department of Education when the school's governing authority has filed the bond or deposited the cash guarantee.

When the Auditor of State finds that a community school has closed and cannot pay for the costs of audits, the Auditor of State must declare the surety bond or cash deposit forfeited. The Auditor of State must certify the amount of forfeiture to the Treasurer of State, who must pay money from the named surety or from the school's cash deposit as needed to reimburse the Auditor of State or public accountant for costs incurred in conducting audits of the school.⁵¹

Fiscal officer requirement for public CPB schools

The bill requires each public CPB school to have a designated fiscal officer. The Auditor of State may require by rule that the fiscal officer of any public CPB school, before entering upon duties as fiscal officer, execute a bond in an amount and with surety to be approved by the school's board of trustees, payable to the state, conditioned for the faithful performance of all the official duties required of the fiscal officer. The bond must be deposited with the school's board of trustees, and a copy of the bond must be certified by the board and filed with the county auditor.

Before assuming the duties of fiscal officer, the fiscal officer of a public CPB school must be licensed by the State Board of Education as a treasurer under continuing law.⁵² A public CPB school cannot allow a person to serve as fiscal officer who is not so licensed.⁵³

Disqualification from holding public office for dereliction of duty

Continuing law prohibits public servants, among other officials, from failing to perform duties expressly imposed by law. Whoever violates the law is guilty of dereliction of duty.

The bill provides that, except as otherwise provided by law, a public servant who is a county treasurer; county auditor; township fiscal officer; city auditor; city treasurer; village fiscal officer; village clerk-treasurer; village clerk; an officer who by virtue of a municipal charter has similar duties and functions to those of the city and village fiscal

officers; school district treasurer; fiscal officer of a community (charter) school; treasurer of a STEM school; or fiscal officer of a public CPB school, and who is convicted of or pleads guilty to dereliction of duty is disqualified from holding any public office, employment, or position of trust in Ohio for four years following the date of conviction or of entry of the plea, and is not entitled to hold any public office until any repayment or restitution required by the court is satisfied. If such a person is also convicted of a felony, existing law forever bars that person from holding a public office.⁵⁴ The bill includes in the definition of "public servant" a fiscal officer employed by the operator of a community school or by the operator of a public CPB school.⁵⁵

Vacancy in county auditor or county treasurer's office

The bill requires that whenever any county auditor or county treasurer fails to perform the duties of office for 30 consecutive days, except in the case of sickness or injury, the office must be deemed vacant. Continuing law requires the county auditor and county treasurer to cause to be filed with the board of county commissioners a physician's certificate of the officer's sickness or injury. The bill requires that if the certificate is not filed with the board within ten days after the expiration of 30 consecutive days, the office must be deemed vacant.⁵⁶
