Detailed Fiscal Analysis

The bill would designate *Lentil* as the official children's book of the state. Additionally, the bill would designate Robert McCloskey, the author of *Lentil*, as the official children's book author of the state. The state would experience no direct costs as a result of the designation. If the book *Lentil* or descriptions of the book or its author were added to any publications, such references would be incorporated within new materials as supplies are replenished. The bill does not require any action by the state or any political subdivisions.
