## ***Detailed Fiscal Analysis***

The bill would designate *Lentil* as the official children's book of the state. Additionally, the bill would designate Robert McCloskey, the author of *Lentil*, as the official children's book author of the state. There are no direct costs as a result of the designation. The bill does not require any action by the state or any political subdivisions. For example, if the book *Lentil* or descriptions of the book or its author were added to any publications, such references would be incorporated within new materials as supplies are replenished.
