Detailed Fiscal Analysis

Current law provides that a person who has been *convicted* of certain state or federal felony offenses committed in Ohio or another state is incompetent to (1) serve as an elector or juror, (2) hold an office of honor, trust, or profit, or (3) circulate or serve as a witness for the signing of any declaration of candidacy or petition, voter registration, application, or nominating, initiative, referendum, or recall petition. The bill extends this disqualification to include individuals that have *pleaded guilty* to the specified disqualifying felony offenses. There would appear to be no new direct fiscal effects on the state or its political subdivisions as a result of this bill.
