Detailed Fiscal Analysis

The bill designates State Route 264 in Hamilton County, extending eastward from the municipal corporation of Cleves to its intersection with South Road, as the Sergeant David Kreuter Memorial Highway. When a highway is designated as a memorial, the Ohio Department of Transportation's (ODOT) policy is to first install a memorial marker in a rest area, scenic overlook, recreational area, or other appropriate location. If this is not practical, a marker is installed along the highway instead. Two markers are usually installed, one in each direction at each location.

To mark the designated highway, ODOT will incur minimal costs to install suitable signs, totaling approximately \$350 to \$400 per sign, including materials and labor. Once a set of signs is installed, typically there are no maintenance costs unless the signs are knocked down or damaged. Signs are usually in need of replacement every 12 to 15 years.
