Detailed Fiscal Analysis

The bill specifies those persons who are not citizens of the United States but are eligible to receive an Ohio driver's license or motorcycle operator's license or endorsement. Any fiscal impact of this bill on the Bureau of Motor Vehicles would be if there were fewer people applying for a driver's license because they would no longer qualify under the new regulations, but it is unlikely to be more than a minimal loss in revenues. There is no direct fiscal impact on local governments.
