Local Impact Statement Procedure Required: No

Contents: Designates September 23 as "Hereditary Hemochromatosis Awareness Day"

State Fiscal Highlights

- No direct fiscal effect on the state.

Local Fiscal Highlights

- No direct fiscal effect on political subdivisions.
-

Detailed Fiscal Analysis

The bill designates September 23 as "Hereditary Hemochromatosis Awareness Day" to increase public awareness and understanding of this genetic disorder that causes individuals to absorb and retain excess iron. The bill does not require any direct action on the part of state or local government entities; thus, there should be no fiscal effect for these entities.
