Detailed Fiscal Analysis

The bill designates that a portion of United States Route 36, commencing at the intersection of State Route 83 and proceeding in an easterly direction to the intersection of State Route 93 within Coshocton County, be designated as the "Chief Petty Officer Raymond Border Memorial Highway." When a highway is designated as a memorial, the Ohio Department of Transportation (ODOT) installs a memorial marker in a suitable spot, customarily a rest area, scenic overlook, recreational area, or along the designated highway itself. Two markers are usually installed, one in each direction at each location. According to ODOT, the cost of installing signs for memorial highways is approximately \$350 to \$400 per sign, including materials and labor. Once a set of signs is installed, there are typically no maintenance costs unless the signs are knocked down or damaged. Signs are usually in need of replacement every 12 to 15 years.
