Detailed Fiscal Analysis

The bill allows a member and the chairperson of the Governor's Council on People with Disabilities to remain in office after the member or chairperson's term has expired until the individual's successor takes office. The bill allows the chairperson to serve for a two-year term and prohibits the chairperson from succeeding himself or herself. The chairperson currently serves a one-year term and may succeed himself or herself not more than one time. There should be no additional costs to the Council related to these provisions.

Additionally, the bill requires the Opportunities for Ohioans with Disabilities Agency (OOD) to provide meeting space, equipment, and furniture for the Council. OOD does not anticipate any additional costs related to this requirement.
